**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Speaker of the House Kevin McCarthy laughs in your face as he tells you that the deal he worked with the Biden Adm. was the best deal he could get. All the Republicans that voted for this abortion need to be removed from office. This deal allows Diaper Joe and his corrupt administration to finish off our country per their plan before the people can vote in 2024 for Donald Trump. What we are seeing now is not bad policies, it is a well laid plan for our destruction. If you think that the civil uprisings around the world can't and won't happen here you are a special kind of stupid. Get your head out of your ass and smell the slime that is now overflowing the swamp and coming to a neighborhood near you.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

To start with I would like to address the caller who blocked his phone number and left not even a first name. You are a coward, a fool, and a racist. You have no idea how stupid you sounded on the Editor's line. Six times you called and only showed exactly how uneducated you are. You need to go to the store and buy a pair of Big Boy Pants, or maybe a pair of Depends! Now on to really important issues as of late. The Congress Republicans kissed the ass of Diaper Joe and his administration. They talk a good race and then fall on their faces. If you were to take one dollar bills and stack them up the stack would be over 640 miles tall. To pay back just one trillion dollars at the rate of a dollar a minute, it would take 31,688 years. So now we take \$31,462,154,854,903 and pay it off at the dollar a second rate, it would take over 1 million years! This system of printing money none stop with nothing to back it up will lead this nation down the slippery slope of no return. We need to bite the bullet and put our foot down on the throat of every corrupt politician in Washington D.C. and end this abuse. The goal of the Washington elite's is to bankrupt this nation before the 2024 elections. They are well on their way. The criminals and the illegals are not a threat to the evil government officials, the Second Amendment is what scares the crap out of them. I personally am waiting for the system to start to crumble. I have already put in place the means in which to weather the storm. If you don't start planning for the Big Meltdown you and your family will be digging in trash cans fighting the rats for the leftovers the Elites have thrown away.
