**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

What can you say about Adam Schiff? This "RAT BASTARD" told lies and made up lies against President Trump. He is a typical Commiefornia Coward! He created false negative lies about a man who only wanted to look after the every day American Citizen. There was no evidence about Russian Colussion. He needs to be held accountable. He needs to be made an example to the rest of the shit rags in Washinton D.C.. If anyone needs to be indicted this sack of mold is top on the list. He has never looked after the interests of the people that he is accountable to. Schiff has his sights set on filling the seat of the other moldy sack of crap, Dianne Feinstein.

**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

Nothing to see here! That is about the only statement you will get from any department or branch of the government. City, County, State or Federal, they only serve the beast that feeds on the souls of your children. If you think this is a joke, make believe, science fiction you are wrong. We keep looking to law enforcement on every level to do their jobs. The DOJ has been protecting Diaper Joe and his crime family for decades That is why the Left and also the Right never wanted to have a businessman run for President. The Judges are corrupt. They protect the evil bastards in Washington DC. They know which side of the bread is buttered. There is something that citizens can do. There are statutes in every state that addresses this issue. Now I will give you the statute and why it will never work. Citizen's Arrest in California | Penal Code 837 PC. You have the right to arrest anyone who has broken the law. Local or Federal it is the same procedure. If you have seen a crime committed, know of a crime that has been committed and you don't even need to see the crime in person. You can make a citizens arrest. That means that from the city, county, state and federal you can arrest the individual. Now the fly in the ointment! You have to turn them over to a law enforcement officer immediately to be taken into custody. Only problem is you won't find a cop with balls enough to take them in and book them. You will not find an honest judge or DA to prosecute the bastards. That means Biden, Pelosi, Schiff, and all the rest of the shit rags will never see the inside of a jail! Hope your 4th of July was a great one!
