**No Wonder Why
 Young People Are Confused**

**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

What can you say about Adam Schiff? This "RAT BASTARD" told lies and made up lies against President Trump. He is a typical Commiefornia Coward! He created false negative lies about a man who only wanted to look after the every day American Citizen. There was no evidence about Russian Colussion. He needs to be held accountable. He needs to be made an example to the rest of the shit rags in Washinton D.C.. If anyone needs to be indicted this sack of mold is top on the list. He has never looked after the interests of the people that he is accountable to. Schiff has his sights set on filling the seat of the other moldy sack of crap, Dianne Feinstein.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

What can I say about the Biden Family? Let's start at the top. Joe the Nose Biden, can't keep a thought in his head straight, even if you gave him a ruler. Then there is wife Jill the Joke Biden. She is so busy being a social butterfly that she has to go out of her way not to trip over her demented husband. Then we have Hunter the Whore Hopper Biden. I could write a book actually several just to cover the highlights of this bad apple. We have all heard about the mysterious white powder that turned out to be cocaine. He has a long history of scandal. If he were named Trump, Pelosi and the rest of the Washington Swamp would be out in the streets demanding blood. KJP dances around the facts of what has come to light. Then again her only qualification is being a black, lesbian, import from some 3rd world piece of crap country that in my opinion she is welcome to go back home and see if she can help her fellow countryman. We are give every excuse when it comes to justifying the corruption in Washington D.C.. The world is on the edge of perhaps the largest nuclear meltdown in the entire history of the world since the the first cave drawings in charcoal by the cave dwelling ancestors in what is now Europe. Biden doesn't have bad policies, this is a well-designed plan that is right on track. China and Russia have co-ownership of the Biden Crime Family. The idiots that have voted and keep voting for these traitors are either high on crack or should be. None of the promised crap is coming! You have been played over and over again like the old 45 Pretty Woman. If we don't take back the country we will all be standing in bread lines.
