**WANTED FOR TREASON
 AGAINST AMERICA AND

John Kerry, rich, hypocrite, jet plane, rich wife, traitor. This man has done more to damage this nation than most. He worked hard against Donald Trump to sabotage the efforts that he made to keep our enemies in check. John Kerry met with the Iranian ayatollah telling him to wait till Trump was out of office and the new administration would be more favorable to deal with. This sack of garbage has committed treason on many levels. He has traveled the world with his jet setting buddies lecturing us on how "We are the ones responsible" for global warming. This bastard to stay in power will see you and your family eating out of garbage cans.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

First, the plan to destroy this nation has been in place for many decades. Every President and Politician has been complaisant in this process. They didn't really need to be on board, just remain silent to their knowledge of this process. The attack on 9/11 enabled it to move forward with the Patriot Act. Bush is a war criminal and lied about the weapons of mass destruction. Obama increased the process with his global apology tour. If Clinton had been elected we would already be a 3rd world socialist piece of garbage. Trump got in the way. They never wanted a businessman to be President. Ross Perot would have won, but the machine told him what would happen to his family if he continued to push forward to be President. Trump could not be scared off. He got in the way and has to be made an example so others don't follow in his foot-steps. Biden's policies are not bad policy, it is a well laid plan. He is right on track to finish the job started decades before he was born. The reason the criminals and illegal aliens are allowed to roam freely and nothing is done is very simple. They do not pose a threat to the government. They will be dealt with at a later point once the American Citizen is subdued and made to stand in line and not question the powers that be. The focus on the Second Amendment is the issue they have to overcome. The armed American Citizen is the threat and has the ability to defend themselves against this evil corrupt government. Yes it is Obama's third term. Biden is a puppet. Biden isn't even sure if he is wearing a fresh diaper. Our founding fathers knew that his could and would happen that is why it states "Will not be infringed upon"! Nothing is going to be done to stop this till the American Citizen rises up and physically takes back our country. We are the government. We have been trained to stand in line and not challenge the corruption that will destroy us.
