Alejandro Mayorkas, Cuban refugee.
 Now the Secretary of Homeland Security.
 This bastard escaped Communism as a
 child. Castro's Cuba was not his father's
 dream. The good old USA was the golden
 ticket to your freedom. Now this little
 limp dick bastard is part of the corrupt
 Biden Communist Administration. He
 feels the power, the might, the glory of
 being part of a dictatorship in it's early
 stages. He now is working his ass off to
 prove to the masters that be that he is
 the right choice for helping destroy our
 border and our safety from invaders.
 This bastard needs to be reminded of
 who the real power in this country is.
 He needs to face the US Citizens.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Hello my fellow citizens. This is a wakeup call for the nation. If you are not a big fan of the Walking Dead, perhaps you might want to become one? At this point in our history, and that of the world, we are on a dangerous journey into a total meltdown of civilization. Instead of Zombies, we will have hoards of people roaming and searching for food, shelter, water, clothing. This is the reality that the evil bastards in the world have in mind for us. They, the powerful, well connected, rulers will have plenty of all of the above mentioned. People in the highly populated areas will feel the shortages first. As resources dry up they will be on the move. The ability to use the highways will not be possible. The vehicles that run out of fuel will block passage. The people in the outlying area will be safe for a little bit longer. Eventually, in a matter of days, all will face the same issues of supply shortages. I really recommend that you put a real plan in place for the safety of you and your family. Thank God for the Second Amendment, without it you will be totally at the mercy of marauders. Be watchful for the first signs of the big meltdown. Be ready at a moments notice day or night to get your family packed and moved quickly. It is coming. By now most of you probably think that I have lost my mind. I wish that were the case. If you get on the road early you might have a slim chance. Have a destination in mind where you can find shelter. You will need to count on your ability to adapt, utilize, and pray. If we allow the corruption to continue, we and our families will suffer. Just think of Zombies as your neighbor, cousin, aunt, uncle or maybe the nice old lady across the street. In these times, no one is safe, everyone is a danger. I hope that I am wrong, but if you are prepared for the worst and it doesn't come, no harm no foul. At least you have your stuff together to go camping!
