**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

Alejandro Mayorkas, Cuban refugee.  
 Now the Secretary of Homeland Security.  
 This bastard escaped Communism as a  
 child. Castro's Cuba was not his father's  
 dream. The good old USA was the golden  
 ticket to your freedom. Now this little  
 limp dick bastard is part of the corrupt  
 Biden Communist Administration. He  
 feels the power, the might, the glory of  
 being part of a dictatorship in it's early  
 stages. He now is working his ass off to  
 prove to the masters that be that he is  
 the right choice for helping destroy our  
 border and our safety from invaders.  
 This bastard needs to be reminded of  
 who the real power in this country is.  
 He needs to face the US Citizens.

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Trump indicted again? Why is that happening? The sad part is the real criminals are currently in the White House and the Congress and Senate. The truth of the matter is simple. Every time they find more criminal activity by the Biden Crime Family the more they go after Trump to ease the presure of the real issue. Trump is not the problem to or for the nation. The criminal element in our government is like a trapped rat. They are struggling to find a way out and they keep trying to avoid public knowledge. Jack Smith is a punk that needs a taste of his own medicine. If Diaper Joe is doing such a great job, why don't we see Yello "Build Back Better" bumper stickers, hats and flags? Even in a corrupt state like California the politicians and media are still pushing the lie. They don't want the cat out of the bag. They want to pretend that they have your interest at heart. The only thing they have interests in is keeping their own corrupt asses out of prison. Like the witch Hillary Clinton once said publically, "If I go down I am taking a whole lot of people with me!". The Clinton's Bush's, Obama's and Biden's have lined their pockets for decades selling out the American citizens. The works are in place to steal the 2024 election like the did two other times. If we don't get control of our nation, in 18 months, we won't have a nation. The clock is running out, so if you have the time, rise up and light up the telephones of our so called Congressman Olbernotte. This is another example of corruption that has moved up the political ladder. If Olbernotte is the best this county can produce, we are in deep shit. You have Hollywood scum that looks down their noes at you pretending that they are the new moral compas that our children should block to and strive hard to emulate. The degenerate bastards live a life that none of us will ever see, but the only thing they lack is the complete destruction of our youth, they are winning.
