**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Alejandro Mayorkas, Cuban refugee.
 Now the Secretary of Homeland Security.
 This bastard escaped Communism as a
 child. Castro's Cuba was not his father's
 dream. The good old USA was the golden
 ticket to your freedom. Now this little
 limp dick bastard is part of the corrupt
 Biden Communist Administration. He
 feels the power, the might, the glory of
 being part of a dictatorship in it's early
 stages. He now is working his ass off to
 prove to the masters that be that he is
 the right choice for helping destroy our
 border and our safety from invaders.
 This bastard needs to be reminded of
 who the real power in this country is.
 He needs to face the US Citizens.

PRAYER

A Novena to
 Saint Jude and the
 Sacred Heart of Jesus:
 May the Sacred Heart
 of Jesus be adored,
 glorified, loved, and
 preserved throughout
 the world, now and
 forever. Sacred Heart
 of Jesus, have mercy
 on us. St. Jude, worker
 of miracles, pray for
 us. St. Jude, help for
 the hopeless,
 pray for us.
 Say this prayer nine
 times a day, by the 8th
 day your prayers will
 be answered.
 Thank you. St. Jude for
 interceding for me.

This nation needs
 this more than ever.
 We are in times where
 evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

President Trump was in New Hampshire August 8, 2023 and was as strong as ever! The Washington D.C. judge told President Trump not to speak about the charges he is facing. Well our President, gotta love him, went on stage and laid it out for the people. He talked about the charges, the fact he was told not to, and how the Left is trying to take away his First Amendment rights. As he said, if he let's the corrupt court silence him, it is only a matter of time till they silence you. Trump has had a life that we can only dream of. If he were to drop out of the race to be the 47th President, there is no doubt that all his headaches would go away. Our government and our legal system has been taken over by thugs, criminals, and traitors. This is a fact. Anyone who thought Biden was a savior, must have been smoking crack with Hunter. The issue that we need to really keep an eye on is the timetable that the Left is focused on. The 2024 elections are just around the corner and time is flying buy at a very quick pace. Biden and the Family, actually all the real players behind the scenes, are going to put the effort in high gear to make sure that you will not have the chance to see Trump back in office. They want him behind bars, strongest reason, they know that more and more of the corrupt dealings are being made public. The younger voters are starting to wise up and see that the Left made false promises that they never had any intention of keeping. The free chicken in every pot and a new Corvette was not going to happen. The younger crowd who is still thinking that it will be delivered needs to get some help from a good psychiatrist. Your family and your friends need to understand that Biden and gang are not your friends. They only see you as a cash cow and when you can no longer pay the dole, you will be discarded like a pair of Joe's dirty adult diapers. Think on it!
