**WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS**

Alejandro Mayorkas, Cuban refugee. Now the Secretary of Homeland Security. This bastard escaped Communism as a child. Castro's Cuba was not his father's dream. The good old USA was the golden ticket to your freedom. Now this little limp dick bastard is part of the corrupt Biden Communist Administration. He feels the power, the might, the glory of being part of a dictatorship in it's early stages. He now is working his ass off to prove to the masters that be that he is the right choice for helping destroy our border and our safety from invaders. This bastard needs to be reminded of who the real power in this country is. He needs to face the US Citizens.

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

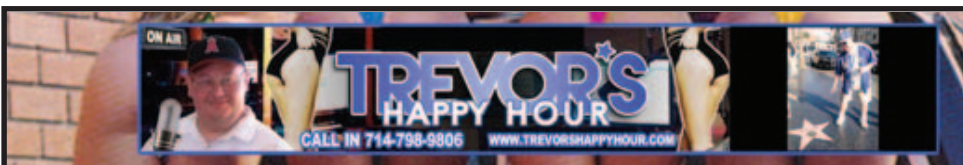

SALT LAKE CITY (AP) — The Utah man accused of making violent threats against President Joe Biden before a trip to Salt Lake City last week pointed a handgun at FBI agents attempting to arrest him, the agency said on Monday.

Craig Robertson, a 75-year-old Air Force veteran, was killed during a raid on his home in Provo last Wednesday, hours before Biden arrived. FBI agents went to his home early in the morning to arrest him for three felonies, including making threats against the president and agents who had been investigating him for months, according to court records unsealed after the raid.

"Robertson resisted arrest and as agents attempted to take him into custody, he pointed a .357 revolver at them," FBI spokesperson Sandra Barker said in a statement Monday.

There you go, the FBI MOBSTERS, with the blessing of the COJ, killed a USAF Veteran. If you are or were not aware Craig Robertson was a crippled old man who could barely walk. The also refuse to mention that the Assassination, I mean Raid, took place at 6 am in the morning. They used a flash bang grenade as the broke through the door. I don't know about you, but if I were in his place at that time of the morning and was just waking up, I would also have pistol in hand. If you oppose Biden and the Corruption in Washington and most of the states now you will be arrested only if they don't kill you first. We are now like any other 3rd World Shit Hole Country. If you don't like what we are doing we will arrest you and put you in prison. If you continue to speak out we will destroy you and your family as a warning to others who might share your point of view. I warned my readers that this could and would happen. We are not immune to the horrors we have witnessed on the news that takes place in other Third World Shit Holes. Be prepared to do evil on others.
