WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

Alejandro Mayorkas, Cuban refugee. Now the Secretary of Homeland Security. This bastard escaped Communism as a child. Castro's Cuba was not his father's dream. The good old USA was the golden ticket to your freedom. Now this little limp dick bastard is part of the corrupt Biden Communist Administration. He feels the power, the might, the glory of being part of a dictatorship in it's early stages. He now is working his ass off to prove to the masters that be that he is the right choice for helping destroy our border and our safety from invaders. This bastard needs to be reminded of who the real power in this country is. He needs to face the US Citizens.

PRAYER
 A Novena to Saint Jude and the Sacred Heart of Jesus:
 May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us.
 Say this prayer nine times a day, by the 8th day your prayers will be answered.
 Thank you. St. Jude for interceding for me.
 This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

At this point in time it is getting really serious with the choices that you are going to have to make. The evil is alive and well and right on track to destroy this nation. When people talk about the bad policies of the Left, they are completely off track. This is not bad policy, it is a well laid plan to destroy us before the 2024 elections. The Biden's and half the Congress and Senate are owned by the Chinese, Russians and God only knows who else? We are heading in a direction that we might not survive. The enemies of this nation are strong and gaining more of the control over the world. We don't hear about the One World Order any longer, now we are hearing the term Globalism. Same thing, just a different name attached. You can put Lip Stick on a Pig, name it a Horse, and yet it is still a Pig! Now that also applies to the bastards that are intentionally killing our rights on a daily basis. We the are to the point that people are becoming more and more afraid to speak out against the corruption and treason. Trump is the only hope we have of turning the country around. The Left fear him. They have to take him down one way or another. If Trump comes back they know it is over. The bastards on many levels will pay for their evil treasonous attack against America and her citizens. I have to laugh when I see the fools that still are on board with the Democrat and Republican Rats. Mit the Bitch Romney is one that tops the list. This Bitch kissed Trump's ass to get him to back him to win his election for the Senate. Then Bitch Romney turned around and stabbed Trump in the back. Same with Ron the Rat DeSantis in Florida. DeSantis is just another Swamp Creature and will help the left in their plan to take Trump down. We need to have an entire redo of our government. We the people have the right to take back control by any means. The Constitution gives us that right. Hangman is coming.
