WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

What can you say about Mit Romney? This walking, talking, empty suit has the nerve to talk against Donald Trump. When running for the Senate, he was failing and soon to be a foot note in our history books. He begged Donald Trump for his indorcement. Trump backed him and next thing your know he was on the path to victory. After being sworn in, Mit the Bitch Romney started attacking Donald Trump. This bastard in not a Patriot, he is a traitor. He is part of the swamp. He is in it to help the Left put false charges against Donald Trump. This sack of garbage doesn't care about anything other than his bank account.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Rumor has it that the "Mask" is coming back! I am sure that you have seen the individuals that are still wearing their mask, God Bless Them! The science has proved that the mask did not work. The Left has to start locking down the nation ASAP. They know that they are really going to have to put cheating and treason in high gear to keep the citizens of this country under control. It is looking more and more that the attacks on President Donald J. Trump are only making him stronger. From New York, Georgia, and Washington D.C. the corrupt traitors are working over time to make sure they take Trump down once and for all. A weak man would have buckled much less a strong man? Many people that I have spoken with are amazed at the strength of our 45th President. In the next 14 months we will see if we will even have a nation. The United States of America is starting to crumble from within just as Nikita Khrushchev once stated to John F. Kennedy. We have allowed evil, degenerate individuals to silence the vast moral majority to remain out of the choices that they have every right to have a voice in regards to their children. When you have an evil individual write a book that promotes children as belonging to the public as a whole, or the government, you will have lost control over the values that have always made us the strongest nation in the history of the world. "It Takes a Villiage" was the dream of Hillary Clinton. This is not acceptable any longer if you want to see your children and grandchildren grow up and enjoy the freedoms that we have fought hard to keep for over 250 years. If the United States of America goes down, so does the freedom of the world. We don't hear the term "One World Order" any longer, we now hear "Golbalism". Same evil plan, just a different name to use. You can put two coats of lipstick on a pig, and in the end it is Hillary Clinton with two coats of lipstick.

We are BACK!

Biden's emails under many different AKA's are being made public, will he be held accountable?

Not really! Most of the politicians in Washington have just as many. They just hope it is never made public.
