WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

What can you say about Mit Romney? This walking, talking, empty suit has the nerve to talk against Donald Trump. When running for the Senate, he was failing and soon to be a foot note in our history books. He begged Donald Trump for his indorcement. Trump backed him and next thing your know he was on the path to victory. After being sworn in, Mit the Bitch Romney started attacking Donald Trump. This bastard in not a Patriot, he is a traitor. He is part of the swamp. He is in it to help the Left put false charges against Donald Trump. This sack of garbage doesn't care about anything other than his bank account.

A Novena to Saint Jude and the Sacred Heart of Jesus:
 May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us.
 Say this prayer nine times a day, by the 8th day your prayers will be answered.
 Thank you. St. Jude for interceding for me.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The clock is running out! 13 months till the November 24 election. Trump has only gained strength and momentum. The Left, the new Nazi Party, is in a panic. No matter what they throw at Trump nothing has phased him or slowed him down. I can't think of a stronger man in this nation. If everything you have heard about the Biden's were instead about the Trump family, people on the Left would already have every one of them in prison. The Left is evil, degenerate and treasonous. If you have children understand one thing, the Left is coming for them. When Hillary Clinton wrote the book, "It Takes A Villiage" that is pure socialism or communism. The Left is going to turn your children against you through the school system. This has been in place for decades. Every generation has been slowly indoctrinated into giving up morals in the name of equal treatment and equality. The LGBTQ movement has been slowly moving forward for the last 60 years. They are now taking aim at your children. I am not saying that all LGBTQ are on board with this, just the degenerates. The goal of the Left is to start cutting down on the population, to do so that means fewer children being born. To make that a reality, they have to do harmone blockers and sex change operations before they reach puberty. For the adult women, that is a different story. The Covid-19 vaccine alters your DNA. This is a proven fact. In women it can make you sterile. Therefore no new babies to be expected. If you think that government officials took the JAB, you are truely a special kind of stupid. When you see them take the JAB on TV, they are only getting injected with distilled water. We are nearing the breaking point financially and spiritually in this country. If we don't make God a priority we will perish. If the Satan worshipping, evil bastards that are fighting to control you through your children, it is all over but the shouting.

We are BACK!

Biden's emails under many different AKA's are being made public, will he be held accountable?

Not really! Most of the politicians in Washington have just as many. They just hope it is never made public.
