FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
General Mark Milley is no longer the Chairman of the Joint Chief's of Staff. This piece of walking garbage is going to retire with full benefits. This is an insult to all the people who have taken the oath and wore the uniform. Milley, who I will no longer refer to as a military member who has served this country with honor and dignity. Milley has not fulfilled his oath of duty. This bastard is a traitor, liar, and needs to be removed from his rank and benefits. This will never happen. He is so busy betraying President Trump. He is one spoke in the wheel in Washington that is doing everything possible to destroy our nation. Court Martial is more appropriate. His replacement is a Air Force General who will now continue the destruction that has been started by Milley. This new Chairman of the Joint Chief's is planning on pushing the race card, and turn our military woke. We are in really bad times, we need to start taking a stand for right and wrong. When you have degenerate behavior being accepted and moral values rejected you will suffer the wrath of God. Treason isn't a strong enough word any longer. There is not a word in the English language that says more than the statement "Pure Evil"! If you look back to the mid 1960's when prayer was removed from school, this is ground Zero. When you see the blind and stupid people that believe the Fake News and look at you and tell you that Trump is the problem. I had a bit of a confrontation with a person I have know for over 35 years. This individual has always been a liar. This person would lie if the truth sounded better. In our discussion, I mentioned that if Trump is not back in 2025 as a nation we are lost. With that being said, this individual stated that Trump is the one who destroyed our nation and that Diaper Joe Biden and the Jamaican Ho are our saviors. I lost it, the profanity that flowed from my lips was about the most vile that I have ever used. I will not apologize.
