FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Standing ovation for a Ukrainian who fought with the Nazis sparks anger and an apology in Canada? You can't make this stuff up! Yaroslav Hunka, 98, was recognized by lawmakers shortly after Ukrainian President Volodymyr Zelenskyy addressed the Canadian Parliament. This 98 year old Nazi, helped to send Jewish People to their deaths. Canada under Justin Trudeau, is an exmple of what the new corrupt leaders who are out to give themselves more power as a Dictatorship. Our country needs to pay attention to our neighbors to the North. We are in very serious trouble, which I have warned you about, of losing our freedoms that many men and women have died for to keep you free. The invasion from our southern border is a prime example of how a country can be over run with people that fully intend to do you and your family bodily harm. Do you really think that thousands of these so called "People looking for a better life" are here to be a good hard working citizen? Most of these illegal aliens are young men of military age. For a moment, do you really think they are here for your good? These people who we know nothing about could possibly be planning an attack against us that will make 9-11 look small in comparison. We have know idea if the cartels have already places arms and munitions in our country for these illegal's to access when the time is right? The other issue is the disease that is now crossing the border with these large herds of so call migrants that can and will infect our citizens. If you think that the values of the left and the corrupt politicians are looking out for your well being and the safety of your family give a damn? If you think that Diaper Joe and the Jamaican Whore are out for anyone other than themselves need to get professional help. Trump will stop this, if we still have a nation come the elections in November 2024.
