FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
McCarthy out!! Good, he was a RINO and kissed ass on the piece of crap Chuck Schumer and made deals behind the backs of other Republican Congressmen. Good that he is gone. President Diaper Joe Biden said that ousting McCarthy was a bad mistake by the Republicans. The only reason he said this about McCarthy was the fact that McCarthy gave him an open end in spending with out a limit on spending. Steve Scalise and Jim Jordan are in the running. Jordan is probably the better, stronger of these two congressman. The other issue that we really need to watch is the way the F.B.I. is inventing new ways to go after MAGA, Trump supporters. Now, you can say that everyone from your church, PTA, or individuals who are using their First Amendment rights is now on the list of "Domestic Terrorist"! I it is that simple, belive in God, go to church, speak out against the degenerate bastards that want to destroy your family and your children, want to destroy your life and everything you have earned. It is more or less 13 months till the 2024 election. They have to take up down before Trump returns to the White House. The charges against President Trump in New York, with that sack of rotten oatmeal, Judge Arthur Engoron, is a fabrication of facts that do not apply or exist. There is no proof that Trump did any thing wrong in his business or other financial dealings. This sack of garbage said that if the trial doesn't go the way he thinks it should, he will override the law and punish Trump the way he personally thinks should be done. We are now offically a Third World Country and we are nowl going down the Rabbit Hole, with no chance of a return. Inflation is destroying your life savings. You are paying three times for for goods and services. Yet, the Left says you have never had it so good. We need to clean house and remind these bastards that they work for us, by any means we choose.
