FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
More and more information about the attack on Israel is being released. The brutal attack on women, children, senior citizens and men young and old. The Iran backed Hamas made the brutality of the Nazi's look like beginners. We are going to get hit harder than we have ever been hit and these animals will not show any mercy. If you are not a believer in the Second Amendment I feel truly sorry for you and your families that are going to be slaughtered. We have thousands of these rabid mongrels that the Biden Administration have no idea where they are at. These lame politicians that have betrayed us don't realize that they also I will have their families attacked and butchered. Obama's plan to finish us off is right on track. IF you really think that Diaper Joe is running any thing your are out of you flipping mind. We have FBI now singing a different tune since Wray was called into account for where these rabid dogs have disappeared to. Alejandro Mayorkas head of HDS was also questioned. This is one of the shit rags that needs to be arrested for treason. He makes lots of excuses as to why the border is over run. He says it's a broken immigration system to blame. It has nothing to do with his department not closing the border. There are around 6 million illegals now in our country that they have no idea where they are at or who they are? We are going to get hit and hit hard. If you love your family and don't own a firearm, you better rethink your stupidity. When the shit show starts you are not going to have time to buy a firearm. California is about as good a place to hit as any. With Gov. Brown and Gov. Newsom not allowing open carry and making it harder to buy ammunition I hope that they are the first ones to get hit. Their security is not going to be there for them. Their security is going to jump ship and head home to protect their own families. I hope that the corrupt politicians get hit first. Screw them!
