FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Now that Thanksgiving is over, we have about three and a half weeks till Christmas. I can't remember back in the past Christmas Seasons where this nation has been in a place of turmoil as today. Maybe during the late 1960's over the war in Viet Nam? This is going to make those times look like a walk in the park. We have open borders rising cost of every good or service that we require for our daily existence. Well "Buttercup", it's not going to get any better in the next 12 months. The evil that has taken hold of our government for the last 10 decades has to finish us off before "Orange Man" can return. If you are one of the idiots who thinks things are good and Diaper Joe and the Jamaican Ho need four more years to finish the job they started, you are a very special kind of stupid. There are those of you who hide in the dark and are waiting for the people with really big balls to ride in and save the day. That is the reason we have the theft of our rights and a failing nation. There was a gentleman in Los Angeles that was on the news recently. He was attacked by two armed punks and they rushed him when he was going to open his door. This man had a legal CCW and when they fired at him he pulled his piece and went to work. In return for him protecting his family, his CCW was pulled. The piece of shit DA in Los Angeles, George Gascón, made sure that this man will never make the mistake of defending his family or himself. The traitors in our nation that have taken over the government need to be held accountable to the fullest extent of the law. George Soros, bottom of the barrel of scum, helped to put George Gascón in office. George Soros needs to be removed from the face of the earth along with his sons that have taken over his goal. We need to have an up close and personal discussion with all the EVIL LEFT bastards. Teach them a sign language a blind man could understand. Running out of time.
