**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Here is the latest news on the China Virus Jab! This so called vaccine that they want to keep the information on it concealed for the next 75 years is now coming out to the public. If you took the jab, you will suffer many issues that you never have to deal with in your life. Also, if you didn't take the China Virus Jab, you are not safe from the transfer of the spike proteins that have the ability to be introduced to you from contact with individuals that have taken the Jab. The Spike Protein that is used is from snake venom, IE... the cobra. Our government has been taken over by bastards that will see everyone in the world eliminated that they don't feel have a right to be here. Fauci, this little bastard, committed Perjury. Perjury (also known as foreswearing) is the intentional act of swearing a false oath or falsifying an affirmation to tell the truth, whether spoken or in writing, concerning matters material to an official proceeding. This is a felony. There were around 7 million people in the world who died from the China Virus. They failed to tell us that 17 million have died from the China Virus Vaccine. This little bastard, the big pharmaceutical companies, and many of the RICH BASTARDS, IE... Bill Gates, are in on the whole agenda of taking down Trump and killing the rest of us. Do you for a minute think that Bill Gates is going to eat that artificial beef he is growing in his lab? Do you think that he and the others are going to eat bugs? He will continue to eat the best of everything! He will drink the best of everything! We as a citizen of the world need to hold Bill Gates, Big Pharma, and our congress and senate accountable. These bastards need to be arrested for war crimes, treason, and the push of mutilation of our children. They want to take over control of how many people will be inhabiting the planet. China, Iran, Russia, North Korea are all in on the take down of our nation and our people.
